## BOOK YOUR NEXT ADVENTURE!

Adventure begins at your Library this summer as Westchester Public Library welcomes all ages to join this year's Summer Reading Program – adventure awaits when you sign up, read, partake in an activity, and earn a chance to win PRIZES!

What are the prizes? Weekly prizes include a pizza garden seed ball kit (Ages 0-4), a galaxy projector (Grades K-4), a tortilla blanket (Grades 5-12), and a Parks Project Igloo Cooler (Ages 18+). Grand Prizes this year will help you bring adventure home: a tricycle (Ages 0-4), a telescope (Grades K-4), a Nintendo Switch (Grades 5-12), and a Solo Stove (Ages 18+).

How do you sign up? Join us on Thursday, MAY 30 from 3-6 PM at the Thomas or Hageman Branch for our Summer Reading Kickoff. We will have activities throughout our libraries, giveaways, and a raffle for a Kindle Fire tablet. Smokey Bear will be there as a special guest!

You can participate in the Summer Reading program by signing up in-person for a paper log, or you can use the [Beanstack app](#). Summer Reading lasts seven weeks, from May 30 to July 20. See you at the Library, and Bon Voyage!

We will be closed Monday, May 27  
in observance of Memorial Day.

## BIFOCAL BOOKIES

### Goodbye, Vitamin by Rachel Khong

Goodbye, Vitamin is the wry, beautifully observed story of a woman at a crossroads, as Ruth and her friends attempt to shore up her father's career; she and her mother obsess over the ambiguous health benefits - in the absence of a cure - of dried jellyfish supplements and vitamin pills; and they all try to forge a new relationship with the brilliant, childlike, irascible man her father has become.

Limited copies are available at Hageman.

## ***The Scientific Guide to Health and Happiness* (DVD)**

There is one thing that every person wants and it's something we spend our entire lives searching for: happiness. Throughout human history, there have been as many ideas about happiness as the humans who seek it. We ask ourselves questions such as: Can money buy happiness? Will finding love bring happiness? Will the perfect job result in happiness? The one common thread that runs through the ideas and theories we concoct to answer these questions is the fact that very few of them are based on science. But what scientists are now learning is that happiness is intertwined with your health.

Enter Dr. Robin Miller, an internist and integrative medicine specialist, a published author, and a popular TV and radio host. In the 24 information-packed lessons of *The Scientific Guide to Health and Happiness*, Dr. Miller reveals the essential secrets to a healthy mind and body. These insights are backed by the latest research and scientific studies about health and happiness. She not only boils each concept down to its nitty gritty using scientific examples and guidelines, but she also shows how everything is related to each other.

These lessons will provide you with the information you need to take charge of your health. As you will find, with each small step you take, you create a domino effect that positively affects other aspects of your life and well-being. Before you know it, your efforts to improve your health, diet, and lifestyle will come together to create a symphony of great health and happiness.

# Duneland GHOST TOWNS

This program tells the interesting and little-known history of some of the first towns conceived in the Duneland area. Many towns sprouted in the Duneland area in the 1800s. These towns had their own post offices, their own stores, and their own places on the map. Some of these towns thrived while others fizzled, lost to time. Come learn about the towns that once were, and see how this lost past helped this area thrive today.
