## FIND A NEW FAVORITE FLICK

In a world where viewers are inundated with seemingly unlimited options, how do you pick a great movie? The sheer amount of content available can be overwhelming. At WPL, we are here to help!

Prize-winning films can be a great place to start. [AwardsWatch.com](#) is a great site for tracking award nominations of the most popular prizes for film from around the world.

Are you interested in broadening your cultural horizons? Check out our Foreign Film Collection at the Thomas Branch. Many of these films are Palm d'Or Winners, the highest prize awarded to the director of the Best Feature Film of the Official Competition at the Cannes Film Festival.

If you are looking for time-tested movies made closer to home, consider the American Film Institute's many lists available on their website. These include carefully curated collections such as The 100 Greatest American films of all Time, or AFI's 10 Top 10: a list of the 10 greatest movies in 10 classic American film genres.

If you don't have a DVD player, did you know that you can use your library card to watch high-quality movies and TV shows in our [Kanopy](#) and [Hoopla](#) apps? These streaming options can be especially convenient when you're on the go.

These resources can open up a world of delightful cinematic possibilities available at your library. If we don't have a movie you want to see, let us know! We have a Suggest a Purchase form available on our website at [wpl.lib.in.us](http://wpl.lib.in.us).

## FILM DISCUSSION: FELLINI'S 8 1/2

SATURDAY,  
DECEMBER 6  
2-2:30 PM

THOMAS BRANCH

Marcello Mastroianni plays Guido Anselmi, a director whose new project is collapsing around him, along with his life. One of the greatest films about film ever made, Federico Fellini's 8 1/2 (*Otto e mezzo*) turns one man's artistic crisis into a grand epic of the cinema.

An early working title for 8 1/2 was "The Beautiful Confusion," and Fellini's masterpiece is exactly that: a shimmering dream, a circus, and a magic act.

For adults ages 18 and up.
